Celebration of Learning

Celebration of Learning is all about celebrating your child and their achievements. It is a time for **your child to lead you** through a journey of their learning as they share what they have been doing and explain what they have been learning.

On behalf of the students and teachers of St Oliver's, I thank all the parents and carers who took the time to come and visit. Below is some feedback from our community.

On Monday 9th September, 12 Year 5 students participated in the Arts Factor Festival held at Penrith. This involved working with Mr Martin on a dramatisation of the book 'Flight' by Nadia Wheatley. The students were invited to perform multiple times throughout the day and were fortunate enough to receive specialist coaching.

We are very proud of these year 5 students for all the hard work and dedication they have put into this performance.
